#### AWARD

This reference has been received from the appropriate Government with regard to the termination of the petitioner. After receiving the reference, the petitioner filed the statement of claim mentioning it to be an application under Section 33-C (2) of the Industrial Disputes Act, 1947.

2. As per the petitioner, she was appointed as Junior Engineer (Trainee) on 23-1-1992 and was confirmed on 1-4-1993. She became pregnant in the year, 1994 and requested for few days leave, but her request was declined. The pregnancy, however, terminated in miscarriage. Then again in 1995, petitioner was in a family way and she applied for leave on the medical advice. Medical slip dated 3-6-1995, 5-6-1995 and 26-6-95 were submitted. However, the petitioner was forced by the employer either to leave the job or to opt for half wages for six months or so. The petitioner, thereafter, applied for half wages leave and she was promised that the application will be considered sympathetically.

3. The petitioner alleged that she joined her duties on 23-6-1995, but on account of acute illness, she had

to apply for leave from 24-6-1995 to 1-7-1995. The petitioner mentioned that she attended the duty on 23-6-95 and marked her presence in the Attendance Register, which fact can be verified from the Attendance register. She also submitted that she applied for sick leave from 2-7-95 to 22-7-95 through a telegram. However, she received two letters dated 3-7-1995 and 7-7-1995 simultaneously, whereby the respondent had sought her explanation for absence and had terminated her service with retrospective effect. i. e. from 14-6-1995.

4. The petitioner had challenged her termination on various grounds. Firstly that no enquiry was conducted nor any charge-sheet was handed over to her. Second that no terminal benefits were given to her. Thirdly, that her termination is bad under Section 10 of the Maternity Benefit Act and is violative of Article 21 of the Constitution of India. Further that her termination is bad under Section 25-F of the Industrial Disputes Act, 1947. She has claimed re-instatement with full back wages. She has also claimed pay for the months of January, February, March and June, 1995 alongwith a sum of Rs. 10,000/- as ex-gratia. She has also demanded a compensation of Rs. two lac for mental torture, agony and loss of health etc.

5. The respondent in the reply has not disputed that the petitioner was a confirmed employee of the respondent. However, it is stressed that the petitioner was habitual absentee. Her absence from duty had been time and again condoned. It is further contended that in June, 1995, the whereabouts of the petitioner were not known. However, that she applied for leave till 14-6-1995 on medical grounds and on her not joining the duty after the expiry of her leave, a registered notice was sent to her on 3-7-95. Her reply was not found satisfactory so her services were terminated vide letter dated 7-7-95 terminating her services retrospectively from 14-6-95. The contention of the respondent is that the termination of services of the petitioner is as per the terms of the appointment and so petitioner is not entitled to any relief. Hence the petition be dismissed.

6. On the pleadings of the parties, the following issues were framed :—

1. Whether the petitioner is entitled to the re-instatement as J. E. on the grounds as alleged ? .. OPP.
2. If issue No. 1 above is held in affirmative, what is the amount of wages, ex-gratia amount, etc. as alleged ? .. OPR.
3. Whether the petitioner is also entitled to the compensation of Rs. 2 lacs on the grounds as alleged ? .. OPP.
4. Relief.

7. Issues 1, 2 and 3.—All these three issues are being dealt with together as they require the appreciation of similar facts and law.

8. The petitioner herself stopped into the witness box and also relied upon the affidavit of Shri V. K. Sehgal, who was the Deputy General Manager (Operation) in the respondent concern. This affidavit was filed on 24-4-1997. The petitioner when appeared as her own witness was cross-examined by the respondent, but thereafter, the respondent absented itself from the proceedings and were proceeded against *ex-parte* and no rebuttal evidence on behalf of the respondent is on record. The petitioner has mentioned in her statement that she was a confirmed employee and that she had applied for medical leave on 1994, but leave was refused to her. She also applied for medical leave in 1995 which was again refused and her services were terminated w.e.f. 14-6-1995 retrospectively. She has also mentioned that she was neither paid the wages for the notice period nor the retrenchment compensation. She has also mentioned that no charge-sheet was handed over to her nor any enquiry was held against her.

8. In her cross-examination, respondent had put three documents to her, which are Ex. RA, Ex. RB and Ex. RC, Ex. RA is of no consequence as it refers to some explanation of the petitioner during the month of February, 1995. The respondent has admitted in the reply that previous absence of the petitioner had been condoned and she was on sanctioned leave till 14-6-1995. Therefore, Ex. RA does not prove the case of the respondent. Ex. RB is the letter dated 3-7-1995 *vide* which the explanation of the petitioner was sought for her absence and she was asked to give her reply by 6-7-95. Ex. RC is the order terminating the services of the petitioner and is dated 7-7-1995 *vide* which the service of the petitioner were terminated *w. e. f.* 14-6-1995. These documents itself show that the termination of the petitioner is in violation of the principles of natural justice and fair play. No proper opportunity has been afforded to the petitioner to explain her conduct. No enquiry was held regarding her wilful absence. No charge-sheet was given to her though her absence from duty amounted to misconduct. Rather, the documents exhibited by the respondent show that her explanations were called and immediately on receiving the reply, the services were terminated with retrospective effect. The documents which have been filed by the petitioner shows that she was pregnant and had been advised rest. The termination of the petitioner is therefore, apparently against the Maternity Benefit Act and is in violation of the principles of natural justice.

9. Affidavit of Mr. V. K. Sehgal who was the Deputy General Manager (Operations) reveals that leave application from the petitioner were received and thereafter another application seeking extension of leave was received, but the applications were not considered by the management. The affidavit corroborates the version of the petitioner.

10. The Hon'ble Supreme Court has held in 1993 LLR-584 that the termination of service without holding an enquiry or affording an opportunity to put forth the case by the employee whereby he is deprived of his livelihood is bad in law. It has also been observed that a workman who was absent without leave for 8 days, could not be terminated without holding an enquiry as it is violative of the principles of natural justice. The facts of the present case are similar. There is no enquiry regarding the misconduct of the petitioner and simply the services of a confirmed employee have been terminated with retrospective effect. It has been held in 1993 LLR-599 by the Hon'ble the Rajasthan High Court that absence from duty itself is misconduct and therefore, before termination of service, it is essential to hold an enquiry in the matter. Similar view has been taken in LLR-1996-289. Another aspect of the matter is that the retrenchment benefits like the wages for the notice period and the compensation amount has not been offered at the time of retrenchment. It has been held in *catina* of the authorities that at the time of retrenchment, wages in lieu of notice and retrenchment compensation etc. are required to be paid. Subsequent offer of the payment of wages will not validate the matter. In this regard, I find support from 1994-LLR-528 of Hon'ble Kerala High Court and 1994-LLR-470, 1996-LLR-615 and 1996 LLR-855.

11. Another submission of the petitioner is that after availing her leave, she joined her duties on 23-6-95 and again proceeded on leave on 24-6-95 onwards. She marked her presence in the attendance register of the respondent, however, the attendance register has not been produced in the court to counter the claim of the petitioner. So it appears that petitioner was present in the office on 23-6-95 and her services could not have been terminated *w. e. f.* 15-6-1995. It has been held in 1996 LLR 289 that the order of termination is illegal if it has been passed retrospectively especially when the employee was on duty in the termination of the petitioner is bad from whatever angle ween. So the matter is examined. Hence, I decide issue No, 1 in favour of the petitioner against the respondent.

12. The next question which arises is regarding the amount of wages, which the petitioner is entitled. In view of the facts which have been discussed above, the petitioner is entitled to be re-instated in service without any break in service. She is also entitled to the wages for the months of January, February, March and June, 1995 (up to 14 June). There is no rebuttal to the claim of the petitioner. However, the petitioner is not entitled to the entire back wages, rather she will be entitled to a consolidated sum of Rs. 20,000/- in lieu of wages for the period during which her service remained illegally terminated. Hence, issue No. 2 is decided accordingly.

13. No arguments have been addressed as regards the amount of compensation of Rs. 2 lac. There is no evidence on record regarding this issue, so the petitioner is not entitled to this sum. Hence, issue No. 3 is decided accordingly.

#### RELIEF

14. In view of the aforesaid findings and discussions, I hold that the petitioner is entitled to a sum of Rs. 20,000/- as consolidated wages from the date of termination till she joins the duty besides the salary for the months of January, February, March and June, 1995 (up to 14th June). However if this amount is not paid within 40 days, the petitioner will be entitled to interest @12% P.A. Irrespective of the non payment of full wages from the date of termination till her joining, there will be no break in her service, which will be counted to be in service period. The reference is answered in affirmative. Let a copy of this award be sent to the appropriate government for its publication in the Himachal Pradesh Rajpatra in accordance with law.

#### AWARD

This reference has been received from the appropriate government with regard to the termination of the petitioner. After receiving the reference, the petitioner filed the statement of claim. The petitioner has alleged in the claim petition that he was employed on daily wages

as Beldar. I mate by the H. P. S. E. B., Dhaula Kuan, Tendipatonta, District Sirmaur in the year, 1987 and he continued to work till 1990, thereafter, his services were terminated without giving him any notice or compensation. It is alleged that he has worked for more than 240 days in the calendar months proceeding his termination and therefore, he is entitled to re-instatement along with back wages.

2. It is ~~alleged~~ <sup>stated</sup> by the respondents, objections regarding delay in filing the petition and being vague have been taken.

3. On merits, it is contended that the petitioner used to work intermittently and did not complete 240 days in any calendar year. Hence, Section 25 F and 25 G of the Industrial Disputes Act, 1947 are not attracted in his case. It is also submitted that his services were not terminated by the respondent, rather, he failed to come for work and then abandoned his job. Hence, reference is ~~to be~~ <sup>to be</sup> decided against the petitioner.

4. On the various issues of disputes, the following issues are framed:

1. Whether the termination of the petitioner is in violation of the mandatory provisions of Section 25 F of the Industrial Disputes Act, 1947 on the grounds as alleged? OPR.
2. Whether the present petition is not maintainable as alleged? OPR.
3. Whether the application is bad for want of better particulars as alleged? OPR.
4. Whether the application suffers from laches? OPR.
5. Relief.

5. *Issue No. 1.*—The petitioner has stepped into witness box and has claimed that he worked with the respondent from 1-3-1987 to September 1990 and that he completed 240 days in the proceeding calendar year prior to his termination. Shri J. K. Sharma, who appeared as a witness of the respondent has mentioned that the petitioner started working with them as beldar on 1-4-1986 and continued working till 20-6-1989. He has produced the copies of the muster roll Ex. R-2 starting from 2-12-1986 to 30-7-1989. However, a chart has also been produced by the respondent regarding the actual working days of the petitioner which shows that he worked for 323 days in 1988. So, the only point which requires consideration is whether the services were terminated by the respondent or whether the petitioner abandoned the job voluntarily.

6. The oral statements of PW-1 and RW-1 are contradictory to each other in this respect. However, admittedly, no notice was served on the petitioner and even if he absented himself from work, his explanation was not sought by the respondent. The last muster roll for the month of July, 1989 produced by the respondents show that three workman were working with the respondent board in June and all of them have been marked present till 7-6-1989. Thereafter, their presence or absence has not been marked. It cannot be a coincidence that all the three workman decided to absent themselves from work, rather it appears that for some reasons their services were not required by the respondent after 9-6-1989. This belies the contentions of the respondent that the petitioner abandoned the job on his own.

7. The muster roll for the following month i.e. July, 1989 has not been produced to show that though the name of the petitioner was entered in the muster roll, yet he did not report for duty and remained absent. Therefore, the only deduction which can be arrived at is that the service of the petitioner was terminated by the respondent.

8. As per the standing orders which has been appended in record, the petitioner had become a temporary employee and his services could only be terminated

through a notice of one month and on payment of compensation in terms of the Industrial Disputes Act. There is no such compliance. Therefore, the termination of the petitioner is bad under Section 25-F of the Act. Hence, the issue is decided against the respondent.

9. *Issue No. 2.*—The onus of this issue is on the respondent. No arguments have been addressed on this issue nor there is any pleadings to show as to why there is no enforceable cause of action against the respondent. Hence, the issue is decided accordingly against the respondent.

10. *Issue No. 3.*—Again this issue has not been pressed. Hence, decided against the respondent.

11. *Issue No. 4.*—The services of the petitioner have been terminated according to him in September, 1990, and this reference has been made in 1994 July. It has been held by the Hon'ble Supreme court and various other High Courts in number of authorities that the limitation act does not apply to the Industrial Disputes Act. Moreover, the delay of four years cannot be considered to be the sufficient to frustrate the case of the petitioner. I, therefore, decide this issue in favour of the petitioner and against the respondent.

RELIEF

12. Keeping in view the aforesaid findings and discussions, I hold that the termination of the petitioner is bad and violative of Section 25-F of the Industrial Disputes Act, 1947. Therefore, he is entitled to re-instatement with back seniority but without back wages. The reference is answered in affirmative. Let a copy of this award be sent to the appropriate government for its publication in the Himachal Pradesh Rajpatra in accordance with law.

## AWARD

This reference has been received from the appropriate government with regard to the demands raised by the petitioner union. After receiving the reference, the claim petition was filed by Shri Telu Ram as President of the Wine Workers Union. It is contended in the claim petition that the petitioners' union is a representative union of the employees of the respondent concern. Further that there is a rival union affiliated to Indian National Trade Union Congress and the management being enmity towards the petitioner union is targeting the members of its union and resorting to unfair labour practice.

2. It is submitted that promotions are being given to a few persons. Kuldeep Singh, who was junior to Sakubir Singh and Surinder Nath, has been promoted when the vacancy arose on suspension of Sat Pal on 10-9-1991. Similarly one Jaswant Singh Rana has been promoted as Boiler Operator instead of Shri Gurmeet Singh, who is senior to him, when the post fell vacant on the suspension of one Shri Mool Raj. It is also submitted that Shri Gurmeet Singh was otherwise to be promoted on the retirement of Shri Sant Ram Boiler Operator.

3. Petitioner also alleged that Shri Surinder Kumar was given the post of Yeast Cultivator. He was the junior most employee and promotion should have been given to the senior most employee. Likewise Balbir Singh has been promoted though Sham Lal is senior to him. Further that Ajaib Singh has been promoted, whereas promotion was due to Shri Sarwan Singh Dulla being senior. Lastly that Shri Sukhdev Singh Gardener has been promoted as helper though he was working as a Mali. Hence, that the award be granted in favour of the petitioners and the persons named in the petition be promoted with financial benefits.

4. In the written statements filed by the respondents, number of preliminary objections have been raised. It is submitted that few names have been added by the petitioners in their claim, though they are not mentioned in the reference.

5. On merits, it is submitted that there are two unions, but the management is not having any enmity with or ill-will against the petitioners union. It is submitted that Shri Kuldeep Singh is still employed as Yeast Cultivator and has not been promoted. Further that Sukhbir Singh and Surinder Singh were though considered for officiating as Yeast Cultivator, but were not found suitable, it is also contended that Shri Gurmeet Singh is not a qualified person for the post of Boiler Attendant, therefore, one Shri Sanjeev Kumar was appointed, and now he has left the job and some other qualified person has been posted. It is also contended that Balbir Singh is still a worker in the boiler section and has not been promoted. Similarly, Ajaib Singh has not been promoted at all and is still a worker and lastly, the pleadings with regard to Sukhdev Singh is beyond the scope of the reference and cannot be considered.

6. Replication was also filed, in which the contents of the claim petition have been reiterated.

7. From the pleadings, the following issues were framed:—

1. Whether the respondent management has promoted S/Shri Kuldeep Singh, Jaswant Singh, Surinder Kumar, Balbir Singh, Ajaib Singh and Sanjay Kumar by superseding their seniors S/Shri Sukhbir Singh, Surinder Nath, Gurmeet Singh, Surinder Kumar, Shyam Lal, Sarwan Singh Dulla and Sukhdev Singh? If so, to what relief the petitioners i. e. the superseded workers are entitled to? OPP.

2. Whether the reference, in question, is not legal because the same has not been made by the appropriate government, as alleged in preliminary objection Nos. 2 & 3? OPR.

3. Whether substantial number of workmen have not raised the present dispute? If so, its effect? OPR.

4. Whether the inclusion of Shri Sanjay Kumar as Respondent No. 7 is beyond the scope of reference. If so, its effect? OPR.

5. Relief.

8. Issues 1 & 4. — Both these issues will be dealt with jointly for the sake of convenience. Petitioners have examined Shri Telu Ram, who is the President of the Union and Shri Shyam Lal one of the allegedly affected persons and a member of the union. The contention of Shri Telu Ram is that because of the rival unions and because of the fact that union headed by him does not enjoy a good rapport with the management, the members affiliated to this union being denied promotions.

9. The reference pertains to the out-of-turn promotions given to five workers namely Kuldeep Singh, Jaswant Singh, Surinder Kumar, Balbir Singh and Ajaib Singh. In order to succeed, petitioners have to prove firstly that the persons named in the reference have been in fact promoted. Secondly, that the persons who are allegedly affected by these promotions were in fact senior to the persons promoted and thirdly that these promotions have been given with *malafide* intentions on account of rivalry or lack of rapport between the management and the petitioners.

10. The contentions of the respondent is that no promotions have at all being given to any of the persons named in the reference. Rather that one or two persons are sometimes assigned work in officiating capacity without any change in their salary or the emoluments. I may point out that no letter of promotion in favour of any of the respondents has been placed on file except one document which is Ex. P. A., which also is a photo copy of shift duty of Boiler house w. e. f. 14-12-92. As per the petitioner, some workers have been named along with their designations and duty days in this document and Balbir Singh & Gurmit Singh have been shown as fireman whereas Sham Lal has been shown only a helper in this document and this signifies that Gurmit Singh and Balbir Singh have been promoted though. Sham Lal is senior and should have been promoted.

11. First-of-all this document has two Gurmit Singh and one is shown as helper whereas the other is shown as Fireman. No parentage of these workers have been mentioned. So it cannot be said on the basis of this document that Gurmit Singh who is named in the reference was promoted as Fireman and was shown in this document Ex. P. A. Now, similarly if it is construed from this document that Shri Sham Lal who is shown as helper, is the same person who has been referred in the claim petition and Balbir Singh is also the same person who has been mentioned in the reference. Yet, it is to be established by the petitioners that Sham Lal is senior to Balbir Singh and so could not have promoted, that is if this document is at all assumed to be a corroboration of the contention of the petitioner that there was any promotion order in favour of Balbir Singh.

12. I will refer to the statement of Sham Lal, who has appeared as PW-2. He has mentioned that he is senior to Balbir Singh without mentioning any details regarding their appointment or confirmation etc. He also admits in his cross-examination that though the pay of the promotee was not enhanced but that promotion was given and that the letter of promotion has been handed over by him to his representative. However, no such letter is on record. Statement of Sham Lal was again recorded on 19-7-1997 where he maintained that he was inducted in service in 1979 and was confirmed on 1-4-82. He also maintained that Balbir Singh was also confirmed on the same day. This itself belies his stand that Balbir Singh

was junior to him. Apart from this oral and documentary evidence, there is nothing to show that Balbir Singh in fact has been promoted or that he was junior to Sham Lal or that there was any *malafide* on the part of the management in this regard. Therefore, the reference with regard to Balbir Singh fails.

13. Now coming to the next person Jaswant Singh who has been named in the reference and who according to the petitioner superseded Gurmit Singh. The respondent in their reply has mentioned that Boiler Attendant is a post which can be held only by a qualified person. Sant Ram who was Boiler Attendant earlier was a qualified person but Gurmit Singh was not qualified person and could not be promoted as Boiler Attendant, so one Shri Sanjeev Kumar was given fresh appointment. Gurmit Singh has not stepped into the witness box. Only Shri Telu Ram has made a reference that Gurmit Singh though promoted as Fireman, has not been paid salary of Fireman. Again there is no documentary evidence regarding *inter-se* seniority of Mool Raj, Gurmit Singh and Sant Ram nor there is any rebuttal that no special qualification is required for Boiler Operator, rather in the replication filed by the petitioners, it is mentioned that even though the post and work of Boiler Operator is to be conducted by a qualified person, yet, the post of Boiler Attendant should have been given to the senior most in this section doing the work of beldar, as it was the right of Shri Gurmit Singh. It means that petitioner admits that a qualified person was required for the post of Boiler Operator and Gurmit Singh did not qualify for the post, but a fresh post should have been created for him. This again is not the point in issue. Hence, the petitioners have not been able to prove that any out of turn promotion has been given to any body.

14. Petitioners alleged that Surinder Kumar was the junior most employee, but was given the post of Yeast Cultivator. There is no supporting document with regard to any such promotion or seniority. Even otherwise the reference does not contain name of any Surinder Kumar rather the name of one Sulinder Kumar has been mentioned. Therefore, this issue is not covered under the reference. Moreover, neither the seniority list pertaining to said Surinder Kumar nor any promotion order nor any other document is on record to prove this allegation. Hence, this reference is answered in this regard against the petitioners.

15. Another person who has been named by the petitioner in Shri Ajaib Singh who is shown to have been promoted as Fireman by ignoring the seniority of Sarwan Singh Dulla. Except a reference that Sarwan Singh Dulla was senior to Ajaib Singh in the statement of Telu Ram. There is no supporting document in this regard either regarding seniority or regarding promotion. Shri Ajaib Singh has appeared in the witness box and has stated on oath that he and Sarwan Kumar are getting equal pay and wages and he has not been promoted at all. He has also denied that Sarwan Kumar is senior to him. So whatever claim had been put in this regard has been effectively rebutted by the statement of Ajaib Singh.

16. Now regarding Kuldip Singh, it is mentioned that he has been promoted in place of Sukhbir and Surinder Nath on the suspension of Sat Pal. Document Ex. P. A. does not mention that Kuldip Singh was promoted as Distillery Operator. His name does not figure in this document. There is neither any promotion order on record nor any seniority list. Sukhbir Singh and Surinder Nath have not stepped into the witness box to support their claim of seniority. On the other hand, Kuldip Singh has appeared as RW-1 and has mentioned that he was inducted as Helper in April, 1981. He was made Yeast Cultivator in April, 1982. He has also mentioned that Surinder Nath was though, appointed little later, but both of them were made Yeast Cultivators on the same date. He has denied that Sukhbir Singh and Surinder Nath were senior to him. So again, there is lack of evidence with regard to the seniority of Sukhbir Singh and Surinder Nath or with regard to the promotion of Kuldip Singh as Distillery Operator.

17. In the claim petition mention has been made with regard to Sukhdev Singh 'Gardner' but his name does not figure in the reference received from the State Government and therefore, the matter is not in dispute in this particular reference.

18. The detailed discussion regarding individual worker made above establishes that the petitioners have miserably failed to prove their seniority *viz-a-viz* persons mentioned in the reference. They have even failed to prove that any of the persons were promoted or that there was any *malafide* on the part of the management with regard to their promotion policy. I may also add that Labour Court has a very limited role to play in context of promotions. Granting of promotion is a managerial function except where there is *malafide* and victimization, Labour Court has no role to play in the promotion. Even if it is established that promotion have been denied on account of *malafide* and victimization, Labour Court can only give a direction for considering the cases of superseded employees afresh. I find support from A. I. R. 1966-SC-668. Since in this case the *malafide* of employer and victimization of workers is not established, therefore the Tribunal has no role to play. For all these reasons, I decide issues No. 1 & 4 in favour of the respondents and against the petitioners.

19. *Issue No. 2.*—It is contended before me that reference has not been made by the appropriate government. I do not find any mistake in the reference as it has been referred by the Labour Court Commissioner in exercise of his delegated powers. No arguments have been addressed on this issue, I, therefore, decide this issue against the respondent and in favour of the petitioners.

20. *Issue No. 3.*—Another objection raised is that substantial number of employees have not raised the dispute, so it can not be termed as the Industrial Dispute. In this regard, I may point out that it has been admitted by the respondent that there are two unions and the management is negotiating with them from time to time. There is no specific denial that Telu Ram is not President of the Union. Since, the demand has been raised through the President of a recognised Union and the dispute covers substantial number of employees. Therefore, it can not be termed as individual dispute, but is a industrial dispute. Moreover, there is document Ex. P. B. on record, wherein individual dispute of Sham Lal, Bihari Lal, Sarwan Singh and Gurmeet Singh was not referred to the Industrial Tribunal by the appropriate government as it was found to be individual dispute and they were directed to raise the dispute through some union or through sizeable workers or employees. This also shows that the State Government, thereafter referred the dispute to the Industrial Tribunal as it had been raised by a union for the protection of the claim of the sizeable number of the workers. I, therefore, hold that the dispute has been raised by substantial number of workmen and is a industrial dispute. I, therefore, decide this issue accordingly in favour of the petitioners.

#### RELIEF

21. Keeping in view the aforesaid findings and discussions, I hold that the petitioners have miserably failed to prove their seniority *viz-a-viz* persons mentioned in the reference. They have also failed to prove that there is any promotion of these persons and lastly that there was any *malafide* on the part of the management with regard to their promotion policy. But it is held that the dispute has been raised by a substantial number of workers and the dispute has been referred by the appropriate government rightly. Therefore, the reference is decided accordingly. Let a copy of this award be sent to the appropriate government for its publication in the Himachal Pradesh Rajpatra in accordance with law.

Announced in the Open Court today this 13th day of June, 2000.
